### Announcement of the Dangerous Goods (DG) Operation Suspension at the Port of Tianjin

To all Concerned Parties:

To ensure the safety and smooth operation at the Port of Tianjin, we hereby reiterate that:

- I. For DG Import/Export via Port of Tianjin
  1. All containerized terminal operators shall suspend DG operations for both import and export; and
  2. All bulk terminal operators shall suspend DG operations for both import and export.
  
- II. DG Cargo Storage/Warehousing Operations  
All DG warehouse and depot shall immediately conduct internal audit to identify potential risks, and strictly follow the DG storage and segregation rules to ensure cargo and facility safety.
  
- III. DG Cargo Stuffing and Un-stuffing Operations  
All DG warehouse and depot shall immediately suspend container stuffing and un-stuffing operations for DG cargoes.
