

YSS (Yangon Strait Shuttle)

With the political and economic reform in Myanmar, the economic growth and trade activities are stimulated. In order to cope with the increasing demand from our customers, OOCL is pleased to introduce a direct Yangon Strait Shuttle (YSS) connecting Yangon, Singapore and Malaysia.

Effective from 23 June 2012, the YSS running with two vessels at loadable capacity of 600 TEU will provide a direct and reliable service between Straits and Yangon.

Service Feature
