### Audit Program

The assessment began with an opening meeting. The discussion covered the scope and purpose of the audit, the audit schedule and process, and the escort responsibilities. ( See attached Attendance Records.)

The audit team gathered evidence by performing the assessment in accordance with ABS procedures and as authorized under the above accredited scope. The auditors interviewed personnel at all levels of the organization (see Audit Interviewee List), and examined pertinent records within appropriate departments in order to establish compliance with the applicable clauses of the ISM Code and / or ABS SQE Guide. The Audit Plan depicts the departments audited and clauses against which they were assessed. ( See Audit Plan)

The audit ended with closing meeting. The discussion included a review of the verification activities carried out, presentation of the corrective action requests ( if any ), and review of the notable observations made during the course of the audit.
