

Indian Customs Public Notice.

F.NO. S/43-340/2000 P Date :- 08.06.2000

PUBLIC NOTICE NO 71/2000 Date :- 08.06.2000

Sub :- Movement of import cargo in containers at Railway Container Depot- Reg.

1. Time and again procedure regarding movement of import containers / transshipment containers have been clarified through various public notices / circulars. However, it has been reported that certain agencies such as CONCOR have sought clarification with respect to movement of import / transshipment containers through Railway container Yard on railway wagons. Standing Order No. 7129/95 dated 15.9.95 envisages that all the containerised cargo (imported as well as exported) should be sealed with tamper proof bottle seals and the sealing of containerised import / export cargo should be done by Appraising / Preventing Officers, as the case may be, and the serial number of Customs bottle seal be indicated in the examination report / Transshipment Permit / Bill of Entry / Forwarding Challan and other related documents.
2. Circular No. 40/95 dated 10.11.95 is explanation of Standing Order No. 7129/15.9.95. vide this, sealing of containers which move within the docks are to be allowed with the Shipping Agent's bottle seal, if it was put at load port and the number mentioned in Bill of Lading and Import Manifest is tallied.
