OOCL announces an Emergency Surcharge ASIA – ISC Trade PORT OF NHAVA SHEVA

Dear Valuable Customers,

With reference to current “*force majeure*” event in port of NHAVA SHEVA (GTI Terminal shutdown since 4th August 2015), which is causing important service disruptions involving increased operating costs, please be informed that OOCL will be implementing an:

- **Emergency Surcharge*** of \$150/TEU for all Asia cargoes destined to NHAVA SHEVA (including ICD'S) routed on CIX, CIX3 & F13 Services as from discharge date: **AUGUST 15th 2015. (on collect basis)**
- **EMS* -> \$150/20' - \$300/40' effective from August 15th, 2015 (Date of discharge)**

The **Emergency Surcharge*** will be applied as follows:

- **Origin Range:** from all **ASIAN** ports
- **Destination to/via:** **NHAVA SHEVA (INDIA) + ICD's served via NHAVA SHEVA Port code : INNSA1**
- **Cargo:** Dry, OOG and Reefer cargoes
- **Dates of application:** **August 15th, 2015, Date of Discharge**
- **On COLLECT Basis only**

*OOCL internal surcharge code: EMS

Any revision of this surcharge related to the evolution of the local situation will be communicated with **1 week days' notice**.

OOCL via its Network remains at your disposal, should you require any additional information.

Sincerely,
For: OOCL (India) Private Limited
