Subject: Main Engine Problem – Vessel Cap Arnauti Voyage W701 – Update 2

With reference to the previous notice on [insert date], please be informed that the vessel Cap Arnauti is now awaiting available berth window at Jaya Container Terminal and all cargoes on board the vessel will be discharged at Colombo port since the repair works may take a long time to be completed.

We will closely monitor the situation and provide contingency plan once available.

This letter is entirely without prejudice to any and all rights, defences, limitations and immunities of the carrier under the contract of carriage and/or otherwise afforded all of which are expressly reserved.

Yours faithfully
